

2019 Visiting Program for Young Sinologists (Hangzhou)

I. Program Overview

Zhejiang, which is famous in history and has produced a wealth of outstanding people, has been pushing ahead with reform and moving with the times. In the past 40 years of China's reform and opening up, Zhejiang has become one of the most economically advanced provinces in China. It plays a vital role in the development of contemporary China, and has the Zhejiang model that pursues innovative, coordinated, green, open and inclusive development.

The 2019 Visiting Program for Young Sinologists (Hangzhou) is based on the Zhejiang model of contemporary China's development. The program chiefly covers Chinese culture and Zhejiang academic tradition, reform and opening-up and Zhejiang model, Zhejiang experience in green development, and Zhejiang businessman spirit and practices by Zhejiang businessman. The program will arrange participants to conduct visits and investigation on economic and social development in urban and rural areas, ecological civilization, and traditional culture in Zhejiang Province.

II. Collaborative Institutes

The 2019 Visiting Program for Young Sinologists (Hangzhou) is hosted by the Ministry of Culture and Tourism and coordinated by the Network of International Cultural Link Entities, and is jointly organized by the Zhejiang Provincial Department of Culture and Tourism and Zhejiang Gongshang University. The collaborative Institutes including Zhejiang Provincial Institute of Culture & Art, Zhejiang Gongshang University School of Humanities and Communication, Zhejiang Gongshang University School of Oriental Language and Culture, and Zhejiang Gongshang University Zhejiang Business Research Institute; supporting institutions include Zhejiang Provincial Bureau of Cultural Relics, Zhejiang Provincial Museum, Liangzhu Management Committee, Liangzhu Museum, China National Tea Museum, China National Silk Museum, the Beijing-Hangzhou Grand Canal Museum and so on.
